

RECOMMENCEMENT OF WHOLESALE LENDING ACTIVITIES

This NOTICE applies to Conventional, and FHA business.
We are not able to accept USDA Rural Development (RD) loans from brokers at this time.

October 15, 2009

Mid Nation Mortgage is pleased to announce that, effective immediately, we will begin to accept wholesale submissions. This announcement supersedes the “Suspension of Wholesale Activities” announced on August 26, 2009. All approved brokers who were approved as of August 26, 2009 and who have maintained the necessary authority within the jurisdictions where they originate loans are now able to submit loans to MNM. No new applications to become approved as a broker will be accepted (state and federally chartered banks and credit unions are exempted, and may submit applications to become approved with MNM).

We look forward to once again serving the broker community, especially those whom we have served in the past. We thank you for your patience and understanding as we have developed the necessary efficiencies to serve you in the manner you had come to expect from MNM. If there is anything we can do to help you, please let us know.
